INNOVATION, INCUBATION, START UP AND TRADE FACILITY CENTRE

1. **Name of the Project:** Innovation, Incubation, Start up and Trade facilitation centre

2. **Background:**

   Surat ranked 8th in India with a GDP of $40 billion in fiscal year 2011–2012 ($14 billion in 2010). Surat GDP in 2020 will be around $57 billion estimated by The City Mayors Foundation, an international think tank on urban affairs. The per capita GDP was $8,000 in 2010. Surat is known for diamonds, textiles, and for diamond-studded gold jewellery manufacturing. Surat registered a GDP growth of 11.5% for the seven fiscal years 2001–2008, the fastest growing GDP in India. The city accounts for:
   - 90% of the world's total rough diamond cutting and polishing;
   - 99.99% of the nation's total rough diamond cutting and polishing;
   - 90% of the nation's total diamond exports;
   - 40% of the nation's total man made fabric production;
   - 28% of the nation's total man made fibre production;
   - 18% of the nation's total man made fibre export; and
   - 12% of the nation's total fabric production.

**Diamond polishing**

Surat is a major hub of diamond cutting and polishing in the entire world. It is believed that 9 out of 10 diamonds in Manhattan, New York, is from Surat. Major diamond polishing factories are in Varracha and Kataragam area. Most of the diamond business is dominated by people from Saurastra.

**Textiles**

Surat is known as the textile hub of the nation or the Silk City of India. It is very famous for its cotton mills and Surat Zari Craft. Surat is the biggest centre of MMF (man-made fibre) in India. It has a total of 381 dyeing and printing mills and 41,100 power loom units. There are over a hundred thousand units and mills in total. The overall annual turnover is around 5 billion rupees. There are over 800 cloth wholesalers in Surat. It is the largest manufacturer of clothes in India, and Surti dress material can be found in any state of India. Surat produces 9 million metres of fabric annually, which accounts for
60% of the total polyester cloth production in India. Now the city is focusing on increasing the exports of its textile.

**Corporate industries**

Along with Textile and Diamond, there are other sectors in the city like Petroleum, Oil & Gas, Shipping, Cement, Metallurgy, Paper, Chemical, Fertiliser etc. Hazira INA, Magadalla, Ichchhapore, Olpad near Surat city are having giant industries like ONGC, GAIL, ABG Shipyard, Narmada Cement, Ambuja Cement, Ultratech Cement, NTPC-KGPP Power Plant, ESSAR group of Industries (Steel/Power/Chemical/Oil/Shipping), L&T, Reliance Industries

**Information technology**

There are many SME Domestic IT Companies present in Surat. MNC IT companies like IBM, HCL have satellite or virtual branches in Surat.

**Diamond Research And Mercantile City (DREAM)**

The government of Gujarat plans another project near Surat similar to Gujarat International Finance Tec-City (GIFT). The Chief Minister has suggested that the government wishes to develop DREAM to have a five-seven star hotel, bank, IT, corporate trading house, entertainment zone and other facilities while the Surat Diamond Bourse (SBD) will be based there. Allotment of Khajod land for the project is convenient for the state government because they have 2,000 acres (810 ha) of available land. The Trade Centre, located near Sarsana village, will have a 100,160-square-metre (1,078,100 sq ft) pillar-less air-conditioned hall with a 90-by-35-metre (295 by 115 ft) pillar-less dome
